Dear Mr. VanDer Kar:

The Executive Committee of the Southern California Chapter of the American Institute of Architects is very sorry to note that your Chapter dues have not been paid for 1964 and 1965.

The new revisions to the By-Laws of the Institute dictate that if a member is in default at the end of a year for either Chapter or Institute dues his membership will be terminated. We look forward to receiving your check for the total balance of dues payable of \$160.00 prior to December 31, 1965, so that we will not have to request termination of your membership.

We sincerely hope that you will bring your account up to date as soon as possible and thus retain your right to call yourself "A.I.A." as well as to feel that you are contributing your proper share of the load in maintaining your own professional organization.

Very truly yours,

Dear Mr. Bolling:

In September of 1963 I moved to State College to teach in the Department of Architecture of Pennsylvania State University. When I received the statement for the 1964 dues of the Southern California Chapter, I returned it with the notation that I had moved and I asked for a transfer.

At the end of 1964 I received a letter from Walter Reichard stating delinquency. I returned this letter with an explanation of my present status. I had also written to your Executive Secretary to this effect.

My national dues are paid up.

If transfer cannot be made as of 1964 as requested, I would be sorry to lose membership.

Dear Sir:

Since the end of 1963, I have been writing to the Southern California Chapter of my move to Pennsylvania, but not until June of 1965 did that office notify me of the procedure involved for writing directly to your office.

It is my wish to transfer to the Central Pennsylvania Chapter as of January 1964. My national dues are paid up to the end of 1965. I will pay the two years' back chapter dues to the Central Pennsylvania Chapter once the transfer is in process. You can understand my reluctance to pay these dues to the Southern California Chapter - I have been in Pennsylvania and have had no connection whatever with the chapter in California.

I hope that this matter can be expedited so that I may become actively involved in the Central Pennsylvania Chapter.

RE: Membership of Mr. Josef Van der Kar.

Dear Mrs. Marx:

With reference to request for transfer of Mr. Jose Van der Kar, from this Chapter to the Central Pennsylvania Chapter. Mr. Van der Kar is in arrears for Chapter dues for 1964 and 1965 in the amount of \$160.00.

His request was brought to the attention of the Board of Directors at their last meeting and after review of correspondence with Mr. Van der Kar, it was the consensus of the meeting that the Chapter has no alternative but to recommend termination of his membership for non-payment of Chapter dues.

For your information copy of our letter to Mr. Van der Kar dated November 10, 1965, is enclosed. To date we have not had a reply to this letter.

Gentlemen:

I am sorry to be informed of your refusal to transfer me to the Central Pennsylvania Chapter as of January 1964. I have notified your chapter since the end of 1963 of my desire for transfer, through the returning of bills and a note on Mr. Reichardt's letter to me. I was not notified until the middle of 1965, when I was in Europe, that I was to contact the Washington office.

I am of the opinion that your office showed serious neglect in facilitating this transfer.

It is unfortunate that you are taking this action.
