Secretary,  
American Institutes of Architects,

NOV 19 1910

Dear Sir:

I beg to acknowledge the receipt of your communication asking about several gentlemen, whose names have been proposed for membership in the Institute. Of these gentlemen, the only one known to me is Mr. Henry G. Emery. Mr. Emery was a student of mine in the School of Architecture in ~~the~~ Columbia University. Soon after graduating he went abroad and studied in the School of Finance <sup>AT</sup> in Paris. Upon his return to this country he was for some time in the office of Mr. Groevner Atterbury. He formed a partnership after leaving Mr. Atterbury's office with Miss Kate C. Budd who had at one time had charge of my office. They practised together successfully for some time and then this firm was dissolved and Mr. Emery associated himself with his brother.

Mr. Emery has been for sometime a member of the New York Chapter and in excellent professional standing. I should say that he is in every way a person fitted to join the Institute. In fact, I have this day voted in his favor on the ballot sent me.

Very truly yours,

Ernest Thompson Huntington

Dear Mr. Emery:

We are indeed sorry to receive your letter of February 11th, tendering your resignation as a member of The American Institute of Architects.

The Officers and Directors will be sorry to lose your support of the profession and the Institute in its work.

In order to comply with the By-law requirements, in the submission of resignations, we wish to call to your attention the marked excerpt from the By-laws attached, from which you will note that a resignation should come forward through the Secretary or Treasurer of the Chapter to which you are assigned, with the endorsement of the Chapter thereon.

As soon as the Chapter's approval is received, we will be in a position to place your resignation before the Executive Committee, which meets in Washington February 26th and 27th.

The above is a general statement on resignation procedure. But the Institute is greatly concerned at the prospective loss of good members who have encountered financial difficulties. It has been carrying those members for at least two years, and inasmuch as your dues are paid to December 31, 1931, the sincere hope is expressed that you will allow your membership to continue during 1932. By that time things may be much brighter.

In this crisis, the Institute - as a national society of the architectural profession, - and the local Chapter, as its embodiment in the community, greatly need the moral support of the leading members of the profession, as such support is evidenced by their interest and membership.

But in case you feel that the resignation must go through, there is no doubt but that the Board would gladly reinstate you at some future date.

Sincerely yours,

Mr. Henry G. Emery,  
Nyack, N. Y.

Executive Secretary.
