## Obituary

**Rudolph A. Herold**

Elected to the Institute in 1916

Died at Sacramento, Calif., 14 April, 1926

Born in San Francisco 25 December, 1870, he was studious in his boyhood days, and at the age of about 19 taught architectural drawing in the Lincoln Evening School of San Francisco. He held this position about five years, while practicing his profession. During the year 1895 he went to Europe, where he worked and studied for three years in most of the important countries of the continent, returning to San Francisco and later moving to Sacramento; he acquired a large practice there and in other parts of Northern California.

Some of the public buildings designed by Mr. Herold were, the Sacramento County Court, City Hall, County Jail and Old High School, Weimer Joint Sanitarium near Colfax, Sacramento County Hospital, Mater Misericordiae Hospital, Providence Hospital of Oakland, School and Friary for the Franciscan Fathers, Forum Building and Masonic Temple, Sacramento; and the Tehama County Jail.

In addition to the High School he did considerable work for the Sacramento Board of Education some years ago.

He always stood unalterably for the high ethics of his profession and was noted for his willingness to assist the members thereof, both old and young. Although very busy, he gave freely and unselfishly of his time and money to the advancement of his profession and the community in which he lived.

During 1917-18, he made an extended tour of the Orient and brought back splendid examples of Oriental art and architecture in form of sketches, data and photographs, a number of which have appeared of late in the JOURNAL.

At the time of his death he was a member of the SAN FRANCISCO CHAPTER, and a director and past president of the Sacramento Architects and Engineers Club, and a member of the Sacramento Lodge of Elks, Tehama Lodge of Masons and the Sutter Club.

The following relatives survive: P. J. Herold, also an Architect, who has succeeded his late brother in the practice of the profession under the name of R. A. Herold Co.; another brother and a sister.

ALBERT M. EVERS.

**August C. Esenwein**

Elected to the Institute in 1910; to Fellowship in 1926

Died at Buffalo, New York, 29 June, 1926

August Carl Esenwein was born at Esenwein-Virnsberg, near Weinsburg, Wurtemberg, 7 November, 1856. Educated at private schools he prepared for the University of Stuttgart, and in 1874 entered the Stuttgart Polytechnic University from which he was graduated five years later. He served for a year in the army and then went to Paris where he worked for two years in an architect's office. Mr. Esenwein came to Buffalo in 1880, worked for a time in the office of an architect, was employed in the engineering department of the Lackawanna Railroad, and won the competition for the music hall which was built under his supervision.

He later formed a partnership with John Addison John-

ston with whom he was associated up to his death. His important work includes the Buffalo Public Library, Museum of Natural Science, Gowanda State Hospital, the old Iroquois Hotel, the old Statler Hotel, The Tower Hotel at Niagara Falls, the Gluck office building, the German-American Brewery and Hall. In association with his partner he designed the Lafayette High School, the Masten Park High School, The General Electric Building, Providence Retreat, Touraine Hotel, and numerous other well known edifices in and about Buffalo.

He was a member of the Buffalo Society of Artists, Historical Society, Y. M. C. A., Turn Verein, the Buffalo Orpheus, Buffalo, Ellicott Park and Country Clubs. He is survived by an only son.
