A member, by virtue of his membership in The Institute, becomes a member of the chapter of The Institute within the territory of which he resides or has his place of business, as he elects, but he pays an admission fee to The Institute only. The admission fee to membership in The Institute normally is twenty-five dollars. (For 1936 this fee was reduced to five dollars.)

A member pays annual dues both to The Institute and to the chapter. The annual dues to The Institute normally are twenty-five dollars (for 1936 Institute dues were reduced to twenty dollars) and those to the chapter are fixed in its by-laws.

Normally the period between the time of filing

an application and the time it is acted on by The Board of The Institute is four months. The period will be longer if the application must be returned to the applicant for corrections or if additional exhibits of the applicant's work are required by The Board of Examiners.

If an application is denied, the amount prepaid by the applicant for annual dues and for admission fee, less five dollars for examination fee, will be returned to him.

An applicant whose application has been denied without prejudice may reapply for admission to membership a year or more after the date of The Secretary's notice to him of his non-admission.

Dear Mr. Dymock:

This is in response to your letter of November 11.

It has always been the custom of The Institute to send a Membership Certificate to each Corporate Member, so we were very surprised to learn that you had never received one.

We shall have a copy made up for you as soon as possible and have it signed by the Secretary who was then in office, Mr. Charles T. Ingham of Pittsburgh. The President at that time was Charles D. Maginnis, who has now deceased.

We order these certificates once each month, in order to obtain the advantage of a better rate on a larger number of copies. Therefore, it will be about three weeks before we can order your certificate and we will then have it signed by Mr. Ingham and sent to you as promptly as possible.

Yours very truly,

Termination*

Mr. Jonathan L. Dymock  
46 Forest Road  
Tenafly, New Jersey

Dear Mr. Dymock:

As you are aware, every corporate member of The Institute must be assigned to a local chapter and pay dues and assessments levied by that chapter.

When local dues remain unpaid, the chapter may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of Directors of The Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The New Jersey Chapter has recommended that your corporate membership in The A.I.A. and Chapter be terminated for non-payment of Chapter dues.

The purpose of this letter is to suggest that you make payment of outstanding dues, thus preserving your corporate membership in good standing. We would also like to take this opportunity to advise that in view of your many years of Institute membership and upon paying your past chapter dues in arrears, you may be eligible for election as a Member Emeritus which would permit you to retain all rights and privileges of active corporate membership while being exempted from further payment of Institute and Chapter dues. Enclosed is a form requesting this change in membership status.

Your response to the above will be appreciated prior to September 1, 1961, for we must proceed to act on the chapter's recommendation to terminate your membership if payment for past chapter dues is not received by that date.

The Executive Secretary of the New Jersey Chapter is Mrs. Helen H. Schneider, 120 Halsted Street, East Orange, New Jersey, should you care to communicate with her regarding the matter.

Sincerely yours,

(Miss) Florence H. Gervais  
Head, Membership Department

Gentlemen:

Your offer of Aug. 1st. indicating that I may, by signing the enclosed form, become eligible for election as a Member Emeritus of the Institute is unfortunately not very flattering and leaves me with no alternative but to tender my resignation.

Dear Mr. Dymock:

In response to your letter of August 10th, we regret to advise that we are not able to accept your resignation as a member in good standing at this time in view of your impending termination of corporate membership.

If payment for dues in arrears is made to the New Jersey Chapter prior to September 1st, such resignation can be accepted. Otherwise, the only alternative is to terminate your corporate membership in accordance with the chapter's recommendation and our letter to you dated August 1, 1961.

Sincerely yours,
