NOTICE OF IMPENDING TERMINATION OF MEMBERSHIP

To Mr. Matthew B. Ehrlich
One North Thirteenth Street
Philadelphia 7, Pa

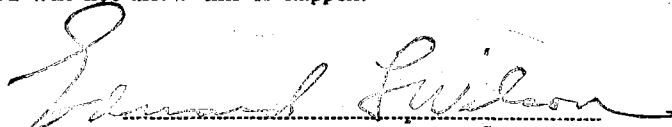

As of January 1 of this year, it was necessary for The Secretary to inform you that, because of your default of dues at the close of the previous year, your membership in The Institute had been suspended.

At that time you were advised that you could restore your membership within the ensuing twelve months period by paying your indebtedness, and that if you failed to so restore your membership it would automatically terminate at the close of the year.

The Secretary hereby notifies you that to date you have not restored your membership, being still indebted to The Institute in the amount stated below, and that, if you do not pay at least the dues for 1954 on or before December 31 of this year (1955), your memberships in The Institute and in its chapters of which you are a member will terminate on that date.

The Board sincerely hopes you will not allow this to happen.

December 1, 1955.

Secretary.

NOTICE OF SUSPENSION OF MEMBERSHIP

To: Mr. Matthew B. Ehrlich
One North 13th Street
Philadelphia 7, Pa.

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 195 5. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to restore his membership within the period of suspension, without applying therefor and without paying a readmission fee. The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 195 6.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Secretary.

This copy of notice to the corporate member named herein is official notice of the suspension of his membership in The Institute and in the chapter to which he is assigned. Please note on your records accordingly.

Dear Mr. Ehrlich:

As you know, every corporate member of The Institute must be assigned to a local chapter and state organization and pay dues to them as well as to The Institute.

When local dues remain unpaid, the chapter or state organization may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of The Institute to support these component organizations in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Philadelphia Chapter, to which you are assigned, has requested that your membership in The Institute, the Chapter, and the Pennsylvania Society be suspended for non-payment of your chapter dues for 1956.

The purpose of this letter is to suggest that you clear your account with the Chapter thus preserving your corporate membership in good standing.

Your response to the above will be greatly appreciated, not later than September 21, 1957, for we must proceed to act on the Chapter's recommendation to suspend your membership at the next meeting of The Committee on Membership held thereafter, if the past chapter dues are not paid by that date.

The President of the Philadelphia Chapter is Mr. Harry G. Stewart, Architects Building, Philadelphia 3, Pennsylvania, should you wish to communicate with him in this matter.
