Dear Clem:

We are in receipt of the application of Mr. Seymour Saltus for corporate membership in The Institute and the New Jersey Chapter, with check for \$10.00 attached.

The application is in proper form, except in one respect. The application is signed by Mr. Seth Ely, Jr. as one of the proposers. We regret to find that Mr. Ely terminated his membership in The Institute on December 31, 1940 and a signature of another architect who is a member, should be secured.

Accordingly, the application is returned to you herewith, rather than to Mr. Saltus for the purpose of assisting to obtain a second signature in lieu of Mr. Ely's, if you can do so consistently.

Upon the return of the application we shall give it our best attention.

Sincerely yours,

Executive Director

Dear Ed:

Seth H. Ely Jr. paid his indebtedness to the N.J. Chapter last week and is therefore eligible for reinstatement in the A.I.A.

I return herewith the application of Seymour Saltus with additional signature as requested.

Excuse the hand-written note. I am home with a cold. I think a couple of weeks in Florida would do me good but having just spent six weeks in England my clients think otherwise.

Cordially,

Clem

Acknowledged receipt of Mr. Saltus' application on bottom of form S5 regarding Mr. Ely's readmission, sent to Mr. Fairweather.

Dear Sirs:

I am enclosing with this letter your bill, requesting ten dollars for annual dues to the American Institute of Architects, along with my check for five (\$5.00) dollars. If I am not correct I shall send the remaining amount due.

Dear Mr. Saltus:

This is in reply to your letter of January 29, with which you enclosed \$5.00 to be applied against your 1949 Institute dues.

Corporate members of the A.I.A. pay annual dues to The Institute as follows: \$5.00 for first year; \$10.00 for second year; \$15.00 for third year; \$20.00 for fourth year; \$25.00 for fifth year and thereafter. Please note that the amount of annual dues may be revised by Board or Convention action.

Since you were elected in the first three months of 1948, the \$5.00 which you paid at the time of your application was payment for 1948 Institute dues. Therefore, your dues for 1949 - your second year of membership - are \$10.00.

We trust that the above will clarify the situation for you. If you have further questions, please do not hesitate to write again.

Sincerely yours,

Gentlemen,

I have your bill for my annual dues in the amount of \$20 but before paying it I want to check on the possibility of a smaller figure for architects who earn less than \$5,000. I cannot find a reference to this fact among my papers, but believe there is such an arrangement.

This past year I earned less than \$5,000.00. If there is any special form you wish me to fill out, please let me know.

Yours very truly,

Seymour Saltus

Dear Mr. Saltus:

This will acknowledge receipt of your letter of February 10, 1961.

The provision to which you refer in your letter applies only to those members whose annual dues are over \$25.00 per year, and provides that when the salary and/or net professional income for the previous year is less than \$5,000 those members paying \$30, \$35 or \$40 need pay only \$25.00 for the current year.

We trust this explanation will clarify the matter for you.

Sincerely yours,

Assistant Treasurer.
