July 10, 1945

Dear Mr. Tully:

The Secretary is happy to inform you that your application for membership in The Institute was acted on favorably by The Board of Directors, and that you were admitted to the Columbus Chapter, effective July 10, 1945. You will be a member of that Chapter, or of some other chapter if you later transfer thereto, until your membership in The Institute terminates.

Your certificate of membership, duly executed by the Officers of The Institute, will be sent in due course.

The Board of Directors welcomes you to membership in The Institute and The Secretary's office is at your service to the extent of its powers.

The policies and the activities of The Institute are developed largely from problems arising within the chapters. By taking an active part in your chapter affairs, you will contribute to the advancement of the objects of The Institute and will increase the benefits to be derived from Institute membership.

We bespeak your active cooperation.

Sincerely,

Alexander C. Robinson III  
Secretary

2. Describe nominee's notable work in design, to bring out the particular achievements the nominators believe have notably contributed to the advancement of the profession.

The nominee has been active in what is now termed the "Expanded Services of the Architect" since the beginning of his practice. In 1951, his firm was commissioned to act as Architects for the town of Fairless Hills, Pennsylvania. The nominee was partner-in-charge of an office located at the site. His activities included coordination of planners, engineers, landscape architects and construction. He worked with the DuPont Company in the development of exterior paint colors to bring variety to the low cost housing built as part of this project. The nominee was responsible for the location and arrangement of all residential buildings and for the design of many of the major structures, such as Shopping Center, Bowling Alley, Service Station, State Police Quarters and Swimming Pool. Photographs of two of these structures have been submitted under Item 1, above.

In 1958, the nominee was partner-in-charge of planning for the first Urban Renewal Project to be executed in Columbus, as well as responsible for design of the major structures which are features of the plan. Photographs of these structures have been submitted under Item 1, above.

\* Part 1 above must be executed in all cases regardless of category for which nomination is made to conform to photographic exhibits which will be submitted.

*See revised*

3. Describe nominee's notable work in the science of construction and any recognition thereof by other societies, to bring out the particular achievements the nominators believe have notably contributed to the advancement of the profession.

The nominee has been a member of the Builders Exchange of Columbus for 20 years. This organization is composed of all segments of the construction industry. The nominee served on the committee to construct new quarters for this organization, which includes a plan room available to all architects in the area.

The nominee has served on several other committees of the Exchange.

1. In 1961, the nominee assisted in the organization of the first Annual Construction Conference of the Builders Exchange; a one day meeting where seminars are held to discuss all aspects of the construction industry.

*See  
revised  
nom*

He served on the program committee in 1962, as speaker in 1963 and has assisted in subsequent years in having the viewpoint of the Architect well represented.

He served as a member of the Building Construction Coordinating Committee of Columbus. Charged with the issuance of recommendations for Industry Ethics and Procedures.

The nominee has been a member of the Construction Specifications Institute since 1948. He was a charter member and first President of the Columbus Chapter of this organization. He served two terms as President, 1957-1958, and as a member of the Board of Directors.

The nominee is currently a member of a Task Force of the American Iron and Steel Institute investigating transient vibrations in buildings. It is expected that recommendations of significant importance to the science of construction will be developed by this committee.

NOMINEE'S ACHIEVEMENT IN EDUCATION AND LITERATURE

See revised  
2/20/71

1. Education Work

(List the degrees and the educational positions held by the nominee, and bring out clearly the nominee's signal work and its particular force and influence which the nominators believe to be a notable contribution to the advancement of the profession, and state evidences of recognition of such work by pupils, the profession, other societies, or the public.)

Speaker - Ohio State University  
 Ohio University

- Professional Practice  
 - Specifications

Thesis Jury - Ohio State University 1965 - 1966.

2. Literary Work

(List the original written works of the nominee and state clearly the particular force and influence of that work which the nominators believe to be a notable contribution to the advancement of the profession, and state evidences of recognition of such work by other societies, the profession, educational institutions or the public.)

### NOMINEE'S ACHIEVEMENTS IN SERVICE TO THE PROFESSION

1. State fully the nominee's signal service to the profession, The Institute, his chapter, or his state organization, which the nominators believe has notably contributed to the advancement of the profession, and list the offices in architectural organizations occupied by the nominee and the period of each.

The nominee has been an active member of the Columbus Chapter since his admission to the Institute in July 1945. A list of the offices held, and the committees on which he has served, follows:

- Treasurer, Columbus Chapter, AIA - 1947
- President, Columbus Chapter, AIA - 1948
- Representative of Columbus Chapter, Architects Society of Ohio - 1949.
- Member, Office Practice Committee, AIA - 1950-51.
- Program, Annual Meeting, Architects Society of Ohio - 1950.
- Program Chairman, Annual Meeting, Architects Society of Ohio - 1957.
- Chairman, Office Practice Committee, Columbus Chapter, AIA - 1957.
- Specifications Committee, Architects Society of Ohio - 1961-62-63.
- Program Chairman, Architects Society of Ohio, Annual Meeting - 1963.
- 2nd Vice President, Architects Society of Ohio - 1964-65.
- 1st Vice President and President-Elect, Architects Society of Ohio - 1966

While President of the Columbus Chapter, the nominee was able to arrange with the City of Columbus the acceptance of the Schedule of Recommended Fees of the Architects Society of Ohio, which represented an improvement over the fees previously paid by the City.

In 1963, the nominee was elected Second Vice President of the Architects Society of Ohio. At this time the affairs of the Society were in poor shape, and shortly thereafter the Executive Director resigned. The nominee was appointed a member of the committee to select a new Executive Director. The nominee worked with the officers to unravel the affairs of the Society, including the selection of, and worked with, a certified public accountant to establish sound budget and fiscal procedures.

The nominee served as Program Chairman of the 1965 Annual Meeting and is General Chairman for the 1966 Annual Meeting.

The nominee has represented the Chapter at meetings of:

- Ohio Educational Association.
- Ohio Meeting, Painting and Decorating Contractors of America.
- Producers Council.
- Apprenticeship Council - Department of Industrial Relations, State of Ohio.
- Career Days, Board of Education, City of Bexley, Ohio.

*See  
2014 rec'd  
1/10/11*

**NOMINEE'S ACHIEVEMENT IN PUBLIC SERVICE**

1. List the public offices held by the nominee and the positions of trust held by him in recognition of civic leadership, and state clearly his notable work in public service and the particular influence of that work which the nominators believe to be a notable contribution to the advancement of the profession.
  - Member, Building Commission, City of Columbus, 1958-62.
  - Member, Plumbing Advisory Board, State of Ohio, 1962-66.
  - Member, Downtown Area Committee - 1958 to date.
  - Member, Land Use Planning Committee, Development Committee for Greater Columbus.

The nominee was appointed a member of the Building Commission of the City of Columbus and served from 1958 to 1962. This commission is charged with the responsibility of administration and interpretation of the Building Code, as well as serving as a Board of Appeals from rulings of the various examining boards for licensing plumbers, heating contractors, refrigeration contractors and electrical contractors. The nominee served as the Architect member of this Board.

The nominee was appointed (upon recommendation of the Architects Society of Ohio) by the Governor as a member of the State Plumbing Advisory Board and served from 1962 to 1966. This Board acts as advisors to the Department of Health, State of Ohio, and is charged with the responsibility of reviewing materials and methods as well as recommendations to the Board of Building Standards for revisions to the Plumbing Code. While in this position, the nominee provided testimony to the City of Columbus which resulted in coordination of the City and State Codes which has permitted more economical construction.

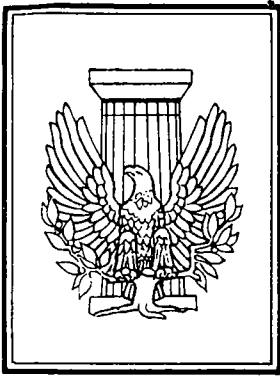

Development Committee for Greater Columbus, This is a citizen's committee interested in all aspects of area development. The nominee has and is currently serving as a member of the Land Use Planning Committee.

Downtown Area Committee. In 1958, the nominee's office was one of three firms selected as architects for a new State Office Building. The nominee was partner-in-charge of a site selection study for the State Office Building Commission. Shortly thereafter the nominee became a member of the Downtown Area Committee, a citizens committee selected to work with the Mayor on a study of the core area of Columbus. This committee in turn worked with a panel of the Urban Land Institute which presented a report on the Innerbelt Area of Columbus.

The nominee's work on the State Office Site selection enabled him to supply much useful information to the panel. The panel's report was the start of the revitalization of the downtown area of Columbus which is still in progress.

The nominee is still a member of the Downtown Area Committee.

Gentlemen:

In commending Richard Lowden Tully, AIA, to your renewed consideration, the Columbus Chapter wishes to modify its nomination. AIA Form No. H503, submitted September 27, 1966, proposed Mr. Tully for fellowship for his achievement in Design and Public Service.

The Columbus Chapter now proposes Mr. Tully for achievement in Service to the Profession and Public Service, and herewith submits a revised Form No. H503. The original nomination is substantially the same as that submitted last year except for additional notes added to each of the categories for which he is now nominated.

Photographs of Mr. Tully, himself, are in your file. The photographs of executed work will be resubmitted by or before November 15, in accordance with instructions.

We trust that this modification in Mr. Tully's nomination is entirely clear and that the procedures are in order.

Very truly yours,

The Jury of Fellows, AIA
The American Institute of Architects
1735 New York Avenue, Northwest
Washington, D. C.

Date September 28 19 67

The Executive Committee of this Chapter, at a duly called meeting on August 10 19 66 (DATE OF MEETING)

nominated Richard Lowden Tully, AIA (NAME OF NOMINEE), corporate member of this Chapter, for fellowship in the Institute. We enclose evidence of the qualifications of the nominee for the fellowship on which the nomination was based and certify the resolution is as follows:

Whereas, this Executive Committee believes Richard Lowden Tully, AIA (NAME OF NOMINEE) a member of this Chapter, has made so notable a contribution to the advancement to the profession because of his achievement in Service to the Profession, and Public Service

(NAME OF CATEGORY(S) FOR WHICH NOMINATION IS MADE—I.E., DESIGN, SCIENCE OF CONSTRUCTION, LITERATURE, EDUCATION, SERVICE TO THE PROFESSION, PUBLIC SERVICE)

Whereas, said member has been in good standing in this Chapter for 22 years prior to this date; therefore be it (NUMBER OF YEARS)

Resolved, That the Columbus Chapter, AIA (NAME OF CHAPTER)

does hereby nominate Richard Lowden Tully, AIA (NAME OF NOMINEE) for fellowship in The Institute, and the President and Secretary be and hereby are authorized and directed to prepare the nomination papers and forward them to The Jury of Fellows of the Institute and to do all things proper to forward said nomination."

\* Signatures of Members of Executive Committee

Thomas Gene Zaugg, President
W. Byron Ireland, Secretary
Richard H. Eiselt, Director

John P. Albert Jr., Vice President
William McDonald, Treasurer
William Liebersbach, Director

THE NOMINATORS SHOULD SEE THAT DATA IS SENT TO THE JURY OF FELLOWS IN SUPPORT OF THIS NOMINATION. ALL SUCH COMMUNICATIONS SHALL BE PRIVILEGED AND NO COPIES SHOULD BE GIVEN TO OTHERS.

### 2. Describe nominee's notable work in design, to bring out the particular achievements the nominators believe have notably contributed to the advancement of the profession.

The nominee has been active in what is now termed the "Expanded Services of the Architect" since the beginning of his practice. In 1951, his firm was commissioned to act as Architects for the town of Fairless Hills, Pennsylvania. The nominee was partner-in-charge of an office located at the site. His activities included coordination of planners, engineers, landscape architects and construction. He worked with the DuPont Company in the development of exterior paint colors to bring variety to the low cost housing built as part of this project. The nominee was responsible for the location and arrangement of all residential buildings and for the design of many of the major structures, such as Shopping Center, Bowling Alley, Service Station, State Police Quarters and Swimming Pool. Photographs of two of these structures have been submitted under Item 1, above.

In 1958, the nominee was partner-in-charge of planning for the first Urban Renewal Project to be executed in Columbus, as well as responsible for design of the major structures which are features of the plan. Photographs of these structures have been submitted under Item 1, above.

\* Part 1 above must be executed in all cases regardless of category for which nomination is made to conform to photographic exhibits which will be submitted.

Awards received by firm:

A.I.S.C. - Use of Steel - Bowling Alley, Fairless Hills, Pennsylvania.

PLAN Awards - Junior League of Columbus  
Best Building (2) Year 1962,  
Columbus Chapter, The American Institute of Architects.

Award of Merit - Seventh Avenue Church of Christ,  
Architects Society of Ohio - 1966.

**NOMINEE'S ACHIEVEMENT IN SCIENCE OF CONSTRUCTION**

1. Construction Work

TYPE OF WORK CONSTRUCTED	IDENTIFICATION OF WORK	LOCATION OF WORK	COMPLETED CONSTRUCTION WORK (Year)	PHOTOGRAPHS DRAWINGS, OR SKETCHES SUBMITTED TO JURY OF FELLOWS
-----------------------------	---------------------------	---------------------	---	---

2. Books, Treatises, or Articles Written

SUBJECT TITLE	WHERE PUBLISHED	DATE PUBLISHED
---------------	-----------------	----------------

3. Describe nominee's notable work in the science of construction and any recognition thereof by other societies, to bring out the particular achievements the nominators believe have notably contributed to the advancement of the profession.

The nominee has been a member of the Builders Exchange of Columbus for 20 years. This organization is composed of all segments of the construction industry. The nominee served on the committee to construct new quarters for this organization, which includes a plan room available to all architects in the area.

The nominee has served on several other committees of the Exchange.

1. In 1961, the nominee assisted in the organization of the first Annual Construction Conference of the Builders Exchange; a one day meeting where seminars are held to discuss all aspects of the construction industry.

2. He served on the program committee in 1962, as speaker in 1963 and has assisted in subsequent years in having the viewpoint of the Architect well represented.

Page 4, Item 3 (continued)

3. He served as a member of the Building Construction Coordinating Committee of Columbus. Charged with the issuance of recommendations for Industry Ethics and Procedures.

4. The nominee has been a member of the Construction Specifications Institute since 1948. He was a charter member and first President of the Columbus Chapter of this organization. He served two terms as President, 1957 - 1958, and as a member of the Board of Directors.

5. The nominee is currently a member of a Task Force of the American Iron and Steel Institute investigating transient vibrations in buildings. It is expected that recommendations of significant importance to the science of construction will be developed by this committee.

## NOMINEE'S ACHIEVEMENT IN EDUCATION AND LITERATURE

### 1. Education Work

(List the degrees and the educational positions held by the nominee, and bring out clearly the nominee's signal work and its particular force and influence which the nominators believe to be a notable contribution to the advancement of the profession, and state evidences of recognition of such work by pupils, the profession, other societies, or the public.)

Speaker -                    Ohio State University  
                                   Ohio University  
                                   - Professional Practice  
                                   - Specifications

Thesis Jury -                Ohio State University 1965 - 1966.

### 2. Literary Work

(List the original written works of the nominee and state clearly the particular force and influence of that work which the nominators believe to be a notable contribution to the advancement of the profession, and state evidences of recognition of such work by other societies, the profession, educational institutions or the public.)

## NOMINEE'S ACHIEVEMENTS IN SERVICE TO THE PROFESSION

1. State fully the nominee's signal service to the profession, The Institute, his chapter, or his state organization, which the nominators believe has notably contributed to the advancement of the profession, and list the offices in architectural organizations occupied by the nominee and the period of each.

The nominee has been an active member of the Columbus Chapter since his admission to the Institute in July 1945. A list of the offices held, and the committees on which he has served, follows:

- Treasurer, Columbus Chapter, AIA - 1947
- President, Columbus Chapter, AIA - 1948
- Representative of Columbus Chapter, Architects Society of Ohio - 1949.
- Member, Office Practice Committee, AIA - 1950-51.
- Program, Annual Meeting, Architects Society of Ohio - 1950.
- Program Chairman, Annual Meeting, Architects Society of Ohio - 1957.
- Chairman, Office Practice Committee, Columbus Chapter, AIA - 1957.
- Specifications Committee, Architects Society of Ohio - 1961-62-63.
- Program Chairman, Architects Society of Ohio, Annual Meeting - 1963.
- 2nd Vice President, Architects Society of Ohio - 1964-65.
- 1st Vice President and President-Elect, Architects Society of Ohio - 1966.

While President of the Columbus Chapter, the nominee was able to arrange with the City of Columbus the acceptance of the Schedule of Recommended Fees of the Architects Society of Ohio, which represented an improvement over the fees previously paid by the City.

In 1963, the nominee was elected Second Vice President of the Architects Society of Ohio. At this time the affairs of the Society were in poor shape, and shortly thereafter the Executive Director resigned. The nominee was appointed a member of the committee to select a new Executive Director. The nominee worked with the officers to unravel the affairs of the Society, including the selection of, and worked with, a certified public accountant to establish sound budget and fiscal procedures.

The nominee served as Program Chairman of the 1965 Annual Meeting and was General Chairman for the 1966 Annual Meeting.

The nominee has represented the Chapter at meetings of:

- Ohio Educational Association.
- Ohio Meeting, Painting and Decorating Contractors of America.
- Producers Council.
- Apprenticeship Council - Department of Industrial Relations, State of Ohio.
- Career Days, Board of Education, City of Bexley, Ohio.

Page 6 - (continued)

Achievements in Service to the Profession

The nominee is currently (1967) President of the Architects Society of Ohio and will direct the program for the Annual Meeting of the Society to be held in Columbus in mid-October. He is principally responsible for stimulating and organizing a seminar in Continuing Education which will precede the Annual Meeting and which, at this writing, will be a successful beginning of continuing professional studies in this Region.

### NOMINEE'S ACHIEVEMENT IN PUBLIC SERVICE

1. List the public offices held by the nominee and the positions of trust held by him in recognition of civic leadership, and state clearly his notable work in public service and the particular influence of that work which the nominators believe to be a notable contribution to the advancement of the profession.

- Member, Building Commission, City of Columbus, 1958-62.
- Member, Plumbing Advisory Board, State of Ohio, 1962-66.
- Member, Downtown Area Committee - 1958 to date.
- Member, Land Use Planning Committee, Development Committee for Greater Columbus.

The nominee was appointed a member of the Building Commission of the City of Columbus and served from 1958 to 1962. This commission is charged with the responsibility of administration and interpretation of the Building Code, as well as serving as a Board of Appeals from rulings of the various examining boards for licensing plumbers, heating contractors, refrigeration contractors and electrical contractors. The nominee served as the Architect member of this Board.

The nominee was appointed (upon recommendation of the Architects Society of Ohio) by the Governor as a member of the State Plumbing Advisory Board, and served from 1962 to 1966. This Board acts as advisors to the Department of Health, State of Ohio, and is charged with the responsibility of reviewing materials and methods as well as recommendations to the Board of Building Standards for revisions to the Plumbing Code. While in this position, the nominee provided testimony to the City of Columbus which resulted in coordination of the City and State Codes which has permitted more economical construction.

Development Committee for Greater Columbus. This is a citizen's committee interested in all aspects of area development. The nominee has and is currently serving as a member of the Land Use Planning Committee.

Downtown Area Committee. In 1958, the nominee's office was one of three firms selected as architects for a new State Office Building. The nominee was partner-in-charge of a site selection study for the State Office Building Commission. Shortly thereafter the nominee became a member of the Downtown Area Committee, a citizens committee selected to work with the Mayor on a study of the core area of Columbus. This committee in turn worked with a panel of the Urban Land Institute which presented a report on the Innerbelt Area of Columbus.

The nominee's work on the State Office Site selection enabled him to supply much useful information to the panel. The panel's report was the start of the revitalization of the downtown area of Columbus which is still in progress.

The nominee is still a member of the Downtown Area Committee.

Page 7 - (continued)

Achievement in Public Service.

In the current year (1967) the nominee has served as vice-chairman of the Housing and Construction Task Group, Emergency Resources Management Plan, State of Ohio. Primary working responsibility was delegated to the vice-chairman. The nominee's fulfillment of his responsibility entailed careful organization of leaders in the Housing and Construction sector and resulted in a clear and workable plan. Quoting from an official summary from the Office of Emergency Planning, State of Ohio, dated 12 September 1967:

"There was general agreement that the State Plan was well conceived, adequate for use, and that the procedures outlined in the plans could be employed during emergency situations.....Such efforts should result in an up dated and ready-to-go Plan to assure Ohio's capabilities to function and manage resources under any contingency."

Mr. W. Byron Ireland, President  
Columbus Chapter, AIA  
c/o 37 West Broad Street, Suite 425  
Columbus, Ohio 43215

Dear Mr. Ireland: Re: Nomination of  
Mr. Richard Lowden Tully

We regret to inform you that the above nominee has not been advanced to Fellowship by the Jury of Fellows at its recent session.

The Jury has asked me to inform you that this proposal has been carefully considered as to qualifications by the 1967, 1968 and 1969 Juries.

The Bylaws permit the submittal of a new nomination after the lapse of one year following unfavorable action. If the nominators decide to take this course, the Jury suggests that the new presentation clearly set forth full information supporting the nominators' belief in the nominee's notable achievements.

The photograph exhibits which were submitted in connection with this nomination will be returned to you at the above address in the near future.

The Chapter's letter about this rejection was forwarded to President Kassabaum, and a copy to the Chairman of the Jury.

Sincerely yours,

William H. Scheick, FAIA  
Executive Director

## THE AMERICAN INSTITUTE OF ARCHITECTS

March 5, 1974

Mr. Richard L. Tully, FAIA  
P. O. Box 8658  
Columbus, Ohio 43215

Dear Mr. Tully:

I have the pleasure of informing you that the Jury of Fellows advanced you to Fellowship in the Institute effective February 21, 1974, for your notable contribution to the advancement of the profession of architecture. With this action, you are also admitted to the College of Fellows.

Those who have been advanced to Fellowship will receive their medals, with appropriate ceremony, at the Investiture of Fellows to be held on May 20, 1974, at 5:00 p.m. at Constitution Hall, Washington, D. C.

The Officers of the Institute and the Jury of Fellows join with me in the hope that you will be present to receive this honor. Please send your reply to me at your early convenience.

Permit me to add my personal congratulations and good wishes.

Sincerely yours,

Hilliard T. Smith, Jr., FAIA
