Los Angeles, California 90005

Dear Mr. Uyeda:

The Board of Directors of The American Institute of Architects takes pleasure in informing you of favorable action on your application and welcomes you to corporate membership in The Institute.

You will soon receive some literature about The Institute and a lapel emblem. In approximately one month, you will receive a certificate of membership, either directly from The Institute or through formal presentation by your Chapter.

You are assigned to the Southern California Chapter and California Council of the AIA, effective August 31, 1976. //

I sincerely hope that you will take an active part in your Chapter and its professional development and community improvement activities. Many of the policies and programs which advance our profession are developed in this way. Such activities give you, as a professional, the opportunity to develop leadership capabilities and to help the AIA meet the challenges and opportunities which the future holds for the architectural profession.

In behalf of our national staff, William L. Slayton, Executive Vice President, joins with me in extending welcome, congratulations and best wishes for success. Please feel free to call on any of us, or the Chapter or Institute officers and staff, at any time the need arises.

Sincerely yours,

Louis de Moll, FAIA
President
