Glenn Brown, Esq.,

Secretary & Treasurer, The American Institute
of Architects, Washington, D. C.,

My charges have been uniformly based upon the schedule fixed by the Institute; that is to say, five per cent for full professional services.

My standing in the community is unquestioned, being an alumnist of the University of Penna., Class of '76 now President thereof; a Director of the Northwestern National Bank; one of the Board of Managers of the Franklin Institute; a member of the Union League of this city; and also a

Dear Sir:-

Feeling that perhaps the photographic reproductions of exteriors of buildings sent you in connection with my application for associate membership in the American Institute of Architects, did not show details required by your committee, I take the liberty of sending you by to day's mail prints showing some of the house work done by me, and ask the reconsideration of my application.

Very truly yours,
