Executive Secretary, I. A. A.  
The Octagon, Washington D. C.

Dear Sir - May I ask you as a favor to see that the above address is entered on all lists of Fellows of the Institute entitled to receive printed matters, notices and circular letters. I moved from 1225 E. 47th St Chicago in August 1918, and at that time sent you my removal card - Since then I have only occasional <sup>receipts</sup> printed matters. Unsealed printed matters is not forwarded to me from my former address - I have not received the "Proceedings" later than of the 51st convention or the Anniversary, since 1917. I don't know whether or not my address has been corrected in the anniversary. If it has not it has misled many advertisers -

It was at the Minneapolis Convention that it was discovered that I am the oldest living Fellow in terms of service, and of course I still am - I am in good standing still as a Fellow, being exempt from paying dues. I am an Honorary Member of the Illinois Chapter.

Yours very truly

Peter B. Wright
