OTHER REMARKS RE QUALIFICATIONS:
(Append extra sheet if necessary) Prior to June of this year my work has all been
in the capacity of a senior draftsman in various architectural
firms, and for the last three and a half has been with Pietro
Belluschi which I feel has been worth three and a half years
at the best school in thecountry. I was given much opportunity
for personal development andnow feel that I am qualified to
offer myself as an architect. I have much to learn still, I
know, but I face the task eagerly and am blest with a husband
who is sympathetic to the idea!
