My dear Sir:

I do not find that you have had a formal acknowledgment of your application for membership in the American Institute of Architects, which the Institute was glad to receive. The pressure of matters connected with our recent Convention has prevented a prompt response.

Enclosed is a formal receipt to cover the remittance of \$5.00.

Under resolution of the Convention, it is probable that the initiation fee of \$25.00 will not be required.

You will be advised finally as to this, and concerning your application after the next meeting of the Board of Directors, which will be in the latter part of January.

Very truly yours,

Executive Secretary.

Mr. J. A. Nyden,
64 W. Randolph St.

Dear Sir:-

Acting for the Secretary, I take pleasure in advising you of your election to membership in the American Institute of Architects, effective January 26, 1916.

You will received later the Annuary and Proceedings for the current year. The former contains the official documents of the Institute.

In accordance with the action of the recent Convention of the Institute with regard to applicants qgalifying in 1916, your Initiation Fee of \$25.00 has been remitted. As you have paid the preliminary fee of \$5.00, the only charge on the Institute books is for dues for the current year. For this item we enclose a formal statement.

May I take this opportunity to say that the office of the Institute at the Octagon is for the service of every Institute member. Should the occasion arise, we will be glad to give you our best cooperation.

Very truly yours,
