Dear Miss Brown:-

In response to your letter of the 26th, we find, in looking through the records, a letter from Mr. Kern stating that the New York Chapter approved the application of Mr. Arthur N. Starin for Institute membership, and that his application for Institute membership would be mailed in due course.

When the application did come in the previously received approval of the Chapter was overlooked.

We are today sending the necessary letter of notification to Mr. Starin and also to the New York Chapter, and trust that both Mr. Starin and the Chapter will accept an apology for the delay.

Very truly yours,

Dear Mr. Starin:

This is the first opportunity we have had to respond to your letter of June 23rd, received on the 26th, tendering your resignation as a member of the Institute.

According to our records, you are indebted for dues for the years 1932 and 1933. As you know, in order to properly submit a resignation, a member's dues must be paid in full to the date of his resignation, and under the By-laws these conditions must be met.

However, the Institute needs your moral support and affiliation, and it would like to carry your membership during 1933 on the chance that business conditions might improve, and in the meantime, we wish to call to your attention the procedure which has been established whereby outstanding dues may be remitted, if the resignation is based on financial stridency.

The procedure for such remission is fully shown on the enclosed reprint. We hope you will give it your consideration and let us hear further from you. Or, if you wish to take advantage of the remission of dues, please get in touch with the Secretary of the New Jersey Chapter, Mr. Clement W. Fairweather, Metuchen, N. J.

Sincerely yours,

Executive Secretary.

Dear Mr. Starin:

We have not heard further from you in response to our letter of July 6th, wherein we pointed out to you the possibility of obtaining remission of your dues for 1932, upon the payment of current dues; and regarding resignation procedure.

We hope that this is an indication of your decision to continue your affiliation with The American Institute of Architects, and your support of it and the architectural profession through such membership.

A meeting of the Executive Committee will be held beginning November 18th, and if it is your wish to secure any consideration of your status at that meeting, please let us hear from you by the 15th.

Sincerely yours,

Executive Secretary.

Dear Mr. Kemper:

I want to thank you for your letter of November 8th. The letter which you refer to of July 6th was probably lost as at this time I was laid up at home and while there my office was moved to the above address.

At some future time I will take care of my obligation to you and will probably wish to again become a member of the Institute. At this time, however, it is out of the question for me to pay the current dues.

There is no need for me to review the condition of my practice which is probable the same as most of your members, added to this in my case is a long period of illness.

Sincerely yours,

My dear Mr. Starin:

At the November meeting of the Executive Committee of the Institute, your resignation was reported, but was not acted upon.

The members of the Committee did not want to lose your support of the Institute and the New Jersey Chapter at this critical time for the architectural profession.

In view of the recommendation of the Committee, to be made to the Convention, that the dues be reduced and that old accounts be adjusted, it is hoped that you can find it possible to continue your membership.

Please refer to President Russell's letter of January 1st and the statement of your account which accompanied it.

There will be a meeting of the Board in early May, in advance of the Convention. It is specially requested that you advise as to your wishes in this matter - that is, shall your resignation stand, or will you continue with the Institute and the Chapter under the new conditions?

We hope very much that you can respond favorably.

Sincerely yours,

Executive Secretary.

Dear Mr. Kemper:

I want to thank you for your letter of January 18.

At the time that I wrote my resignation, I had recently lost the sight of my right eye, and was very much in doubt as to whether I could continue in architecture. However, through a very successful operation, the sight has been largely restored.

The long period of convalescence, the expense involved and the lack of business makes it impossible for me to see when I can pay my dues.

I would like to stay in the Institute, but being in a financial condition where I am unable to pay even the reduced fee, does not make my membership very desirable from your point of view.

However, if, with this stipulation, you care to have me remain, I would appreciate your not acting upon my resignation.

Sincerely yours,

Arthur N. Starin

Dear Mr. Ely:

In June, 1933, Mr. Arthur N. Starin, of 360 Springfield Avenue, Summit, New Jersey, submitted his resignation, without explanation. He was indebted for dues for 1932 and 1933.

It was presumed that financial difficulties were involved, and the resignation was not accepted.

But on January 18, we wrote him asking if the proposed plan for reduction of dues and adjustment of the account would not be of assistance in continuing his Institute membership.

He replied in a letter of January 22d, copy of which is enclosed.

The case will be submitted to the Board at the May meeting. It may be that the Board will remit his dues and carry him for 1934, or it may think it better to accept the resignation subject to reinstatement when conditions improve.

Meanwhile, it would be appreciated if you would make a recommendation on behalf of the New Jersey Chapter, also stating if Mr. Starin is in good standing therein.

Executive Secretary.

Your letter of January 22nd with regard to the status of your membership was received promptly. We have been so overwhelmed with work at The Octagon, since the first of the year, that with our reduced staff it is impossible to handle our correspondence as promptly as we would like.

In view of your expressed desire to continue as a member of the Institute, we shall be glad to arrange for the withdrawal of your pending resignation and to continue your name on the rolls of the Institute.

Dear Mr. Starin:

This will acknowledge your letter of December 23rd concerning your dues in default.

The Board appreciates the difficulties in which you find yourself, and desires to aid you as far as it can in retaining your membership in the Institute.

There are two ways by which your good standing may be restored: First, by payment of the indebtedness in full; and Second, by remission of the indebtedness by the Board.

To help in the first way, the Treasurer is authorized to accept your note in payment of the indebtedness, provided you will make a partial payment on account.

As you have advised that you cannot pay cash in full at this time, we are sending herewith a note, without interest, and payable to the Institute on or before December 31, 1936. This note covers your indebtedness except for a difference of \$5.00 which should be paid now by check.

If you will sign and return the note, accompanied by a check making partial payment of \$5.00 - to reach the Treasurer of the Institute, at The Octagon, on or before January 31, 1936 - your membership will be preserved and your good standing as to unpaid dues restored as of January 1, 1936.

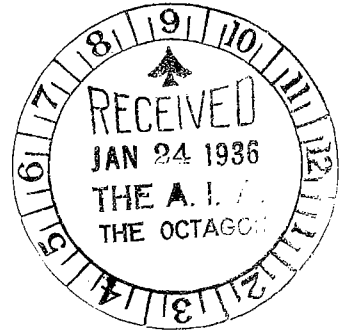

To help in the second way, the Board is authorized to remit dues in exceptional instances, and for what it deems adequate cause. If you desire to apply for remission of your dues under this condition, a note covering the full amount of the indebtedness and payable on or before December 31, 1936 should be sent - on or before January 31st - accompanied by a letter addressed to the Board and stating the circumstances under which remission of dues is requested. If the remission is granted by the Board, you will be placed in good standing as of January 1, 1936 with respect to dues in default and the note will be returned to you.

By direction of the Treasurer.

Dear Arthur:

I was sorry to receive your letter of December 29, 1935 advising that you had written to Washington resigning from the Institute. If this was caused by the recent harsh Ukase of the Board of Directors that all dues must be brought up to date by the end of this month, I am pleased to advise you that I am under the impression that the Parent Society has modified its position in the matter and that anyone who would show a "minimum interest" will be carried.

As far as the Chapter dues are concerned we would, of course, be glad to await your complete convenience.

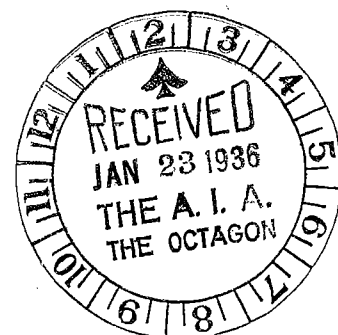

Will you be kind enough to advise me if this modifies your position or whether you insist on going through with ^{the} resignation?

Dear Mr. Kemper:

I want to thank you for your letter of January 7th.

I appreciate the offer of the Board to permit me to pay my obligation by a note. However, it would still be an obligation and the dues would continue to mount up. My experience of the last few years has convinced me that the solution to not only personal, but national problems, is to live within one's income, and therefore I must again tender my resignation, subject to the remarks of the following paragraph. I do hope however, that upon my financial recovery, that I can be reinstated as a member upon such terms as the institute may dictate.

If you care to defer action for the next two weeks, which would give me an opportunity to secure a position that I have in prospect, I would be glad to retain my membership on such terms as the Board dictates, provided I am able to secure the position that I have in mind. I will inform you of my success or failure within the next two weeks.

Washington, D.C.

Gentlemen:

I find it very difficult to keep up my dues in the
Institute. I therefore wish to drop out until a
later date.

Will you please inform me if this can be done; or
must I resign?

Sincerely,

Arthur N. Starin

February 18, 1942

Dear Mr. Starin:

We acknowledge with regret your letter of February 16 advising that you find it necessary to relinquish your membership in The Institute until a later date.

According to Institute records your dues are paid up until December 31, 1941 and your resignation can be accepted effective as of that date without further payment of Institute dues.

If you will address a letter of resignation to The Secretary we will proceed to put your resignation in line for acceptance at the next meeting of The Board of Directors.

However, we sincerely hope you will reconsider and continue your support of The Institute during these difficult times when it is needed so badly.

Sincerely yours,

Executive Secretary

Mr. Arthur N. Starin, A.I.A.
