On September 15, 1939, my brother and partner, Manfred M. Stophlet, passed away after an illness of two weeks.

In checking up his accounts, I find that there is a balance for the year of \$6.00 due. I would appreciate hearing from you in regard to this balance—whether it is the rules that the full year be paid or whether you make some adjustment in the bill.

Please advise me of your disposition of the above and I will adjust the belance according to your ruling.

It was my brother's desire that I continue on in the profession, carrying our name Stophlet & Stophlet. I trust our associations with the American Institute of Architects will continue as before.

Yours very truly,
