You have been assigned to the Florida Chapter as an Institute Member in good standing therein, and the Secretary of the Chapter has been so advised.

Attention Mr. Frank C. Baldwin

Dear Mr. Baldwin:

Will you please advise me if the handling of "stock" plans and specifications is in accordance with the standard of ethics of the Institute.

During the past several months a number of builders have called at this office for small, moderate priced houses, but apparently will not pay the regular fee for this work, as we are never able to close with them. I have followed up several of these cases and find that the buildings have been built without plans and in each case are an eye-sore to the community.

To meet these conditions it is my thought to prepare fifteen or twenty complete plans and specifications and charge a flat sum for each plan, which would be less than the established rate, retaining the right to sell these plans a number of times. I have never cared for this class of work, but there seems to be a real demand for it, and the community would at least be benefited to the extent of having well designed buildings.

I will greatly appreciate an expression from you, as a representative of the Institute, regarding this matter.

Yours very truly,

Lee L. Wade, A. I. A.

Dear Mr. Wade:

Acting for the Secretary, may I respond to your letter of May 19th:

The Institute Code of Ethics makes no reference to the sale of stock plans and I am quite sure that the question you ask is one which must be answered by every architect for himself.

Have you thought of making a connection with the Architects' Small House Service Bureau, with reference to the problem which you set out in your letter? Why not write to Mr. Robert Taylor Jones, Secretary of the Bureau, at 1200 Second Avenue, South, Minneapolis. Tell him of the local conditions and ask what the Bureau has to offer. It might be that you would find it more advantageous, financial and otherwise, to have some established connection with the Bureau than to attempt to handle the situation independently. This, of course, is merely a suggestion.

Very truly yours,

Executive Secretary.

My dear Mr. Wade:

You are a member of the Institute and of the Florida South Chapter.

Under the By-laws of the Institute each member must maintain his Chapter membership as well as his national membership.

We are advised by the Chapter that you are indebted for Chapter dues.

The Chapter does not want to lose your membership, but it feels in fairness to the other members that the account should be adjusted or that the affiliation should be terminated.

The Institute Executive Committee feels that it must support the Chapter in a matter of this kind, and on the other hand, it never terminates a membership for financial reasons except as a last resort.

We therefore write to call the situation to your attention, in the thought that the Chapter indebtedness may be overlooked, and to ask that you make a remittance for Chapter dues to the Secretary, Mr. Russell T. Panscoast, 1139 Lincoln Road, Miami Beach, Fla.

Please take this action before July 1st; otherwise action will be taken on the discontinuance of your membership on that date. In any event, we hope that you will communicate promptly with Mr. Panscoast, as he will receive a copy of this letter.

As we have previously advised you, your Institute dues remain unpaid for 1928, 1929, 1930, and 1931, also.

We hope very much that you will continue your support of the Chapter and the national society.

Sincerely yours,

Executive Secretary.

August 7, 1931.

Dear Mr. Wade:

It is with genuine regret that I write, as Secretary of the Institute, to advise you of the termination of your membership in the Institute and your Chapter, effective June 30, 1931, for non-payment of Institute dues.

The Treasurer, and the Secretary's Office, sent to you various statements of account and letters in the hope that you would find it possible to make a remittance, in whole or in part, and thereby continue your affiliation with The American Institute of Architects and your Chapter.

It is realized that conditions in the building industry have remained on a most unfavorable basis during the current year, and for that reason the Institute made a special effort to retain your membership as long as possible.

It is believed that you will approve of the action taken. The alternative was to allow the dues to so increase as to make future reinstatement a heavy expense.

May I venture to express the personal hope that conditions in your locality will soon improve, and that you will then make application for reinstatement in the Institute and the Chapter?

The reinstatement procedure is easy and can be accomplished by addressing a letter to the Secretary of the Institute, through the Secretary of the local Chapter.

With best wishes, and with the hope that we may soon regain you as a member of The American Institute of Architects, I am

Sincerely yours,

FCB:B

Secretary.

Dear Mr. Baldwin:-

Replying to your letter of August seventh, it is needless for me to say that I regret exceedingly my suspension from membership in the Institute. However, it will only be a matter of a few weeks until I apply for reinstatement.

Will you please advise me the full amount of my indebtedness to the Institute and whether or not reinstatement can be accomplished by a partial payment of this indebtedness.

This will also advise that the partnership firm, formed several years ago, of Wade and Oemler has been dissolved and that I am carrying on the business under my own name at 1008 Exchange Bldg. In this connection, I have considerable stationery on hand, carrying my name as on this letter, which was made prior to the forming of the partnership of Wade and Oemler. Will it be necessary for me to discontinue the use of this stationery until such time as my membership in the Institute is again in good standing. I trust not as I expect and will bring my membership to this state in the very near future and wish to avoid the expense of having new stationery made for this temporary condition.

Again expressing my sincere regrets that conditions have been such that I have been forced to let this action take place and with many thanks for your many courtesies and forbearance in this matter, I am, with kindest regards,

Sincerely yours

August 20, 1931

Dear Mr. Wade:

On behalf of the Secretary, Mr. Baldwin - who is out of the city for the summer months - we wish to acknowledge the receipt of your letter of August 14th, with regard to your indebtedness for dues to the Institute, and the discontinuance of your membership on June 30, 1931.

We assure you that it was with much regret that the Institute took such action, but it was thought preferable to allowing a greater indebtedness to incur against your account, which would, in turn, make future reinstatement just that much more of a burden. It is with much pleasure that we learn of your intention to apply for reinstatement, and we shall be glad to obtain from you a formal request, through the Secretary of your Chapter, as outlined in the attached excerpt from the By-laws.

As you will note, the requirement for reinstatement is that all past indebtedness must be paid in full - which, in your case, is \$100.00 for Institute dues for the years 1928, 1929, 1930, and 1931. In addition to this, any indebtedness with the Chapter must be satisfactorily arranged, and the letter from the Chapter should so state.

In our letter of August 7th we advised you that the conditions in the building industry are understood perfectly, by the officers of the Institute, and it is not the intention to be too severe on the members for financial conditions resulting therefrom. It is prepared to do everything in its power to assist its members to retain their memberships, in the hope that conditions will soon improve.

The By-laws do not permit partial payments on account before reinstatement, but there will not be a meeting of the Board of Directors until November 19-21, 1931, and perhaps by that time you can arrange to make a substantial payment on your account. In that event, we would be more than glad to bring your application before the Board for consideration, and perhaps special action. However, we would be glad to hear from you in the meantime, with advice as to what you believe you can do along these lines. Of course, if a substantial payment were not made, you can readily see that with the beginning of 1932, \$25.00 additional would be added to your account, and before many months were past, unless you were able to make a still further payment on your dues, you would again become delinquent. It is this condition which the Institute wishes to avoid.

-2-

With regard to the stationery you have on hand, bearing the initials "A.I.A." after your name - strictly speaking, this should not be used, and the continuance of its use, in view of your disassociation with the Institute, may bring about much criticism of you and the Institute, as well. However, we do not wish to work a hardship on any of the former members, and this question can remain in abeyance until you have decided what you will be able to do toward your reinstatement in the near future. At that time we can again take up this question. In the meantime, if you should find it necessary to obtain new stationery, it is suggested that the A.I.A. be omitted, until formal action has been taken on your reinstatement.

We shall be glad to hear further from you, on this subject.

Sincerely yours,

Assistant Treasurer.

Dear Mr. Wade:

In reply to your letter of November 30:

According to Institute records your membership was terminated June 30, 1931, at which time you owed dues for 1928-29-30 and part of 1931 - a total of \$83.34.

To apply for reinstatement, a former corporate member of The Institute should address a letter to The Secretary of The Institute requesting reinstatement, stating that he is professionally engaged in the practice of architecture. The letter should be accompanied by his remittance covering all dues in default at the time of his termination, plus the admission fee and one year's dues in advance.

In 1945 the admission fee is \$5.00 and yearly dues are \$20.00. Effective January 1946 the admission fee will be \$10.00 and one year's dues will be \$25.00.

Applicants for reinstatement must also be clear of any indebtedness to the chapter to which they were formerly assigned.

Upon receipt of such a letter, The Secretary's office will follow through the required procedure.

Gentlemen:

Upon receipt of your letter of January 25 relative to the application of Mr. Lee L. Wade for readmission into the Institute, we reviewed our records; however, we were unable to find a membership or dues list prior to 1942; that being the case, Mr. Wade's name does not appear on our records.

Miss. We, therefore, believe that Mr. Wade is eligible for admittance into the Institute and can be transferred to the Virginia Chapter.

Dear Mr. Wade:

The Secretary is happy to inform you that your application for readmission to membership in The Institute was acted on favorably by The Board of Directors and that you were readmitted to corporate membership in The Institute and assigned to the Virginia Chapter, effective April 30, 1946. You will be a member of that Chapter or of some other chapter if you later transfer thereto, until your membership in The Institute terminates.

The Board of Directors welcomes you again to membership and The Secretary's office is at your service to the extent of its powers.

The policies and the activities of The Institute are developed largely from problems arising within the chapters. By taking an active part in your chapter affairs you will contribute to the advancement of the objects of The Institute and will increase the benefits to be derived from Institute membership.

We bespeak your active cooperation.

Sincerely yours,

NOTICE OF IMPENDING SUSPENSION OF MEMBERSHIP

June 12, 1959

**Mr. Lee J. Wade
Nick Wright Building
21st & Colonial Avenue
Norfolk, Virginia**

Dear Mr. Wade:

As you know, every corporate member of The Institute must be assigned to a local chapter and pay dues to that chapter.

When local dues remain unpaid, the chapter may request the Institute to suspend or terminate the membership.

It is a long-established policy of The Board of Directors of the Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Chapter to which you are assigned has requested that your membership in The Institute and the Chapter be suspended for non-payment of chapter dues.

The purpose of this letter is to suggest that you make payment of outstanding dues, thus preserving your corporate membership in good standing.

Your response to the above will be greatly appreciated not later than **July 12th**, for we must proceed to act on the Chapter's recommendation to suspend your membership at the next meeting of the Committee on Membership held thereafter, if past chapter dues are not paid by that date.

Sincerely yours,

Florence H. Gervais
Secretary of Membership and Records

IN RESPONSE TO YOUR LETTER OF JUNE 12, 1959 I AM THIS DAY FORWARDING MY CHECK IN THE AMOUNT OF \$20.00 FOR 1958 CHAPTER DUES TO MR. CHARLES E. WILKERSON AND YOU WILL FIND ENCLOSED A COPY OF MY LETTER OF TRANSMITTAL.

I HEREBY TENDER MY RESIGNATION AS A CORPORATE MEMBER OF THE INSTITUTE TO TAKE IMMEDIATE EFFECT. I MAY ADD HERE THAT THE MANY YEARS SINCE MY ELECTION TO MEMBERSHIP IN 1926 HOLD MANY PLEASANT MEMORIES AND ASSOCIATIONS BUT MY WORTH TO THE INSTITUTE HAS APPARENTLY DETERIORATED TO A TWENTY DOLLAR VALUE.

Dear Mr. Wade:

Your letter of July 7th is received, together with copy of your communication to the Virginia Chapter forwarding your check for \$20.00 for your 1958 chapter dues. We are glad to learn of this action which will permit withdrawal to suspend your corporate membership of which we wrote to you on June 12th.

of the recommendation
However, we are very much concerned with your decision to resign your corporate membership as a result of this action by the chapter and we are writing to ask if you will not reconsider your decision in view of your many years of membership in good standing.

When we wrote to you on June 12th, we sent a copy of an application for Membership Emeritus. Since you did not fill out the application and forward it we are assuming that you are not eligible for this class of membership at this time. However, it is possible that you will be eligible in the near future and we venture to express the hope that you will continue your membership until you are eligible for retirement.

We are taking no action on your resignation until we hear further from you.

Sincerely yours,

(Miss) Florence H. Gervais
Secretary of Membership and Records

We shall appreciate confirmation of payment of chapter dues by Mr. Wade; also advice as to whether that payment covered 1959 dues also.

Dear Mr. Wade:

With further reference to your letter of July 7th and my reply of July 16th, I am writing now to advise that the Virginia Chapter Secretary, John B. Owen, Jr., has notified us that you have taken care of your 1958 chapter dues, but did not make any payment for the year 1959.

Although we are awaiting your further advice with regard to continuing your corporate membership, if you should decide to allow your resignation to stand, I thought it well to let you know that at least half of your 1959 chapter dues would be necessary to permit the Chapter to approve of your resignation as a member in good standing, inasmuch as half of the year has lapsed during which time you were carried on the rosters of the A.I.A. and the Chapter as a corporate member.

Hoping to hear from you at your early convenience,

Sincerely yours,
