My dear Mr. Waller:-

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective July 1, 1921.

You have been assigned to the Tennessee Chapter as an Institute member in good standing therein, and the Secretary of the Chapter has been so notified.

The enclosed statement for dues should receive early attention, as the engrossed Certificate of Membership is not sent until dues for the first year have been paid. No charge has been made for the first half of the current year.

May I take this opportunity to say that the office of the Secretary at the Octagon is for the service of every Institute member. Should the occasion arise we shall be glad to give you our best cooperation.

Very truly yours,

Executive Secretary.

Gentlemen;

On or about June 1st. 1921 I was accepted as a member of the American Institute. At that time I paid my initiation fee and 1921 dues, as per your request. Have this month paid my 1922 dues; but up to this time have received no certificate of membership. Am I not due a certificate showing that I am a member in good standing?

Yours Very Truly,

My dear Mr. Waller:

Responding to your letter of January 23, your certificate of membership is now in the hands of the engrosser and after engrossing is completed, it is then to receive the signatures of the President and Secretary of the Institute. The engrosser has been overwhelmed with work due to the large increase in membership but we wish to assure you that we will forward to you your certificate just as soon as it reaches this office.

Very truly yours,

Executive Secretary.

March 1, 1932.

Dear Mr. Waller:

It is with genuine regret that I write, as Secretary of the Institute, to advise you of the termination of your membership in the Institute and your Chapter, effective December 31, 1931, for non-payment of Institute dues.

The Treasurer, and the Secretary's Office, sent to you various statements of account and letters, in the hope that you would find it possible to make a remittance, in whole or in part, and thereby continue your affiliation with The American Institute of Architects and your Chapter.

It is realized that conditions in the building industry have remained on a most unfavorable basis during the past year, and for that reason the Institute made a special effort to retain your membership as long as possible.

It is believed that you will approve of the action taken. The alternative was to allow the dues to so increase as to make future reinstatement a heavy expense.

I am hoping very much that the circumstances which prevented you from carrying on your Institute membership will speedily change, and that you will soon be thinking of taking up your membership again. When you are ready to do so, I can assure you that the Institute will make the way back very simple and easy. The Board has already made provision whereby the old account can be paid off in installments and over a period of time that will not be onerous to you.

I am going to write to you from time to time, reminding you that the Institute desires your return to its membership and its councils, and so that your return can be worked out to your best convenience.

With best wishes, and with the hope that we may soon regain you as a member of The American Institute of Architects, I am,

Sincerely yours,

Secretary.

Mr. George D. Waller,
Independent Life Building,
Nashville, Tenn.
