NOTICE OF SUSPENSION OF MEMBERSHIP

To **Mr. Lloyd Peyton Ware**
318 Construction Center
4700 N. Central Ave.
Phoenix, Arizona

February 28, 1962
Date

In accordance with the request of the **Central Arizona Chapter, A.I.A.** Chapter that your membership be suspended for your indebtedness to it, The Board, as required by the provisions of Chapter I, Article 2, Section 4, paragraph (b-2), of The Institute by-laws, suspended your membership in The Institute and in all its chapters and state organizations of which you are a member, effective

February 19, 1962

In this connection, your attention is called to the provision of the By-laws of The Institute which reads:

"A corporate member is not in good standing in The Institute or in any of its component organizations if he is under suspension. Immediately upon the suspension of a corporate member, his rights in The Institute and in any of its chapters or state organizations shall be withdrawn until he is restored to good standing."

Your dues to The Institute and the chapter will continue during the period of your suspension.

The purpose of The Institute in permitting a membership to be suspended for default of dues rather than terminated forthwith is to enable the member in default to restore his membership within the period of one year from the date of suspension, without paying a readmission fee and without applying therefor. The period of grace in your case terminates one year from the date of your suspension unless your indebtedness for dues is taken care of in the interim.

If your good standing is not restored before the end of this period then your membership in The Institute and its component organizations may be terminated by The Board of The Institute upon recommendation of the Chapter.

The Board regrets your suspension and hopes that you will soon restore your good standing by payment of all outstanding indebtedness for Institute and/or chapter dues.

Dear Mrs. Englen:

As of February, 1962, the membership of Mr. Lloyd Peyton Ware has been under suspension for non-payment of Chapter dues.

Mr. Ware has inquired recently as to why he hasn't been receiving any Institute mail. The reason, of course, is because of the suspension which exists.

We are writing to ascertain if he has ever paid his dues in arrears. If so, his membership will be restored to good standing without delay.

If he hasn't paid his dues, does the Chapter wish to recommend that his membership be terminated for such continued indebtedness?

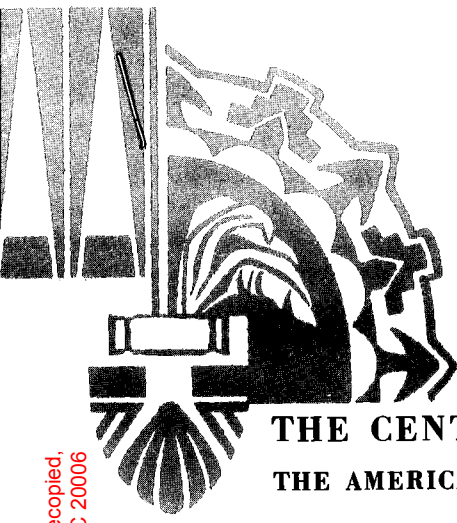

We shall appreciate hearing from you at your earliest convenience so that we can advise Mr. Ware accordingly.

Dear Miss Marx:

Apparently a "bog down" in communications has occurred in the matter of Lloyd Peyton Ware as per your letter of May 15. On January 15, 1964, we received correspondence from the Controller's office stating Mr. Ware had paid National dues in arrears and if no adverse correspondence was forthcoming from this Chapter within 10 days, Notice of Restoration to good standing would be sent to us. However, receipt of this Notice has not been received.

Mr. Ware paid his delinquent Chapter dues January 7, 1964 and is now in good standing as far as the Chapter is concerned.

Dear Maureen:

One of our members, Lloyd Peyton Ware, was terminated for non-payment of dues, on August 31, 1974. He was not, however, even aware of the termination until we called him. His explanation is that early last year he changed his place of employment and his former employer did not forward his mail and, apparently, they did not return it to you either or you would have been aware of the change. He is currently employed by Engineering Corp. of America, 3003 North Central Ave., #700, Phoenix, AZ 85012. He would like to receive all AIA mail there.

ECA forwarded the enclosed check for Mr. Ware's 1974 dues. In a situation like this, is the reinstatement fee required?

Dear Mr. Ware:

Mrs. Smith of the Central Arizona Chapter has sent us your 1974 AIA dues in arrears.

At its recent meeting, the Executive Committee authorized that current dues in arrears be accepted through December 1, 1974, without penalty. Therefore, we are pleased to restore your name to the rolls without your having to pay the additional reinstatement fee. We request your Chapter and State to likewise restore your name to their rolls.

Many thanks for your continuing support.
