Dear Mr. Wagner:

We write with regret to advise you of the termination of your membership in the Institute and the Chapter to which you are assigned, effective December 31, 1935.

As stated in the Notice of December 6th, the Board of Directors extended the time limit for payment of dues in default to January 31. It directed that 1936 dues be not charged against the accounts of those memberships so terminated.

The Officers and Board sincerely hope that as soon as improved conditions enable you to renew your support of the Institute and the Chapter you will apply for reinstatement in the manner indicated on the enclosed excerpt.

By direction of the Secretary.

Sincerely yours,

Executive Secretary.

Dear Mr. Wagner:

Your application for readmission to membership in The Institute and its Cleveland Chapter, dated July 9, 1947, was received here from the Chapter on September 4, 1947, with your check for \$10.00 attached. Your desire to again become a member of The Institute is appreciated by The Board.

The Institute by-laws require that a member applying for readmission pay up any indebtedness which he may owe to The Institute and to his former Chapter.

The record here shows that at the time you terminated your membership, you were indebted for Institute dues for the years 1934 and 1935 in the amount of \$30.00.

In sending in your remittance of \$10.00 you probably had in mind the reduction in dues for new members. This reduction applies only to new members. Former members requesting readmission must pay the admission fee of \$5.00 plus the regular dues of \$25.00 for one year, in advance. Your check for \$10.00 has been applied as follows: \$5.00 to admission fee and \$5.00 has been applied on account of dues in advance, leaving a balance of \$20.00 to be paid, plus \$30.00 for past indebtedness - a total of \$50.00.

Otherwise the application appears to be in due order. As soon as the additional remittance is received, the application will be put forward for action by The Board.

Sincerely yours,

Executive Director
