Re: Request for Extension for 1975 Dues, Bernard A. Webb, Jr.

Dear Mr. Wolverton:

Mr. Webb has experienced unanticipated and extensive financial requirements this year. Those unplanned for expenses along with other personal problems and a period of few architectural commissions has created a financial hardship for him.

Mr. Webb has been an outstanding member of the A.I.A. for approximately 25 years and has never needed to request an extension previously.

We therefore request Bernard A. Webb, Jr., be granted a 90 day extension for payment of National A.I.A. dues this year.

If you require further information please do not hesitate to contact me.

Sincerely,

  
Lee P. Oliver, Jr.  
President

In line with the policy established by the Secretary of the Institute, we are placing Mr. Webb on a December 1, 1975 extension list.

We trust that this will assist him to some degree.

Dear Mr. Webb:

We have reviewed your correspondence regarding your inability to pay 1975 regular dues, and regret to say that we believe an additional extension of time for the payment of your obligations is not a practical solution to the problem.

We are most sympathetic to the hard times which you and many members face at this time, and which have been presented in detail by both new and long-time members. However, we sincerely believe that to extend further the deadline for payment would be to compound the financial burden, as 1976 dues become immediately payable.

We hope that 1976 will see an upsurge in professional work and you will be able to reapply for membership in the near future.

Our best wishes to you and all who have been supporting the Institute.

Sincerely yours,

Hilliard T. Smith, Jr., FAIA  
Secretary
