A member, by virtue of his membership in The Institute, becomes a member of the chapter of The Institute within the territory of which he resides or has his place of business, as he elects, but he pays an admission fee to The Institute only. The admission fee to membership in The Institute normally is twenty-five dollars. (For 1936 this fee was reduced to five dollars.)

A member pays annual dues both to The Institute and to the chapter. The annual dues to The Institute normally are twenty-five dollars (for 1936 Institute dues were reduced to twenty dollars) and those to the chapter are fixed in its by-laws.

Normally the period between the time of filing

an application and the time it is acted on by The Board of The Institute is four months. The period will be longer if the application must be returned to the applicant for corrections or if additional exhibits of the applicant's work are required by The Board of Examiners.

If an application is denied, the amount prepaid by the applicant for annual dues and for admission fee, less five dollars for examination fee, will be returned to him.

An applicant whose application has been denied without prejudice may reapply for admission to membership a year or more after the date of The Secretary's notice to him of his non-admission.

My dear Miss. Gervais,

How are you after your strenuous week. I had to have a few good night's sleep home here to catch up. Did you see the grand big picture they had in the Sunday paper at Louisville, of me at the Horse Show ? It was a lovely party, wasn't it?

Saturday the Levi's, Miss Waters and Piers Brookfield and I took a car and drove all around the "Blue Grass Country", in the pouring rain, but it was most enjoyable, anyway.

Would you do me a favor ? Could you please send me the business address of a Mr. John Bryan of St. Louis, Mo.

Thank you, and I presume I'll be seeing you in California.

Dear Miss Tjaden:

It was nice to receive your note.

We all were pretty well worn out when we returned to Washington, and the subsequent week of 90° weather has not helped us any to revive. At least, we feel almost human by now.

It did seem to be a pretty good convention; and, of course, we had more fun at the horse show and barbecue than elsewhere. Everyone seemed to enjoy that party thoroughly. We did see the grand pictures in the Sunday paper and brought back several copies with us for the permanent files at The Octagon. I thought your picture was especially good - sometimes newspaper reproductions can be so ghastly.

Your trip through the Blue Grass Country must have been lovely, and I do envy you. At conventions we get very little opportunity to do such things, and this year we seemed to have less opportunity than usual. The bad weather was responsible for some of that, of course.

The address you want, of Mr. John Bryan, is 5327 Pershing Avenue, St. Louis.

I do hope I get to go to California; but cannot be sure at this early date. If I do, shall feel most fortunate for the opportunity to renew my many fine acquaintances among the members.

Best regards,

Cordially yours,

We are in receipt of advice from the Secretary of the Brooklyn Chapter to the effect that you have requested the acceptance of your resignation as a member of the Brooklyn Chapter.

We hope this does not mean that you are severing your membership in The Institute, and hope that you mean you are giving up your membership in the Brooklyn Chapter and would like to become a member of one of the Florida chapters.

Please let us hear from you about this before putting through your resignation as a member of the A.I.A.

Should you wish to become assigned to a Florida Chapter, we shall be glad to make the arrangements.

Dear Mr. Keeper,

I have just received a letter from the Brooklyn Chapter saying you have asked them to keep me on their roster. However, I resigned from that Chapter on the 1st of the year, and do not wish to continue as we will be north only in the summer. At the same time, they say I will be assessed for dues. This I certainly do not wish to happen. But I would like to belong to the Institute without having to join another Chapter at this time. Miami is too far away from St. Lauderdale for late meetings for me to attend.

Brooklyn is waiting to hear from you as to procedure.

Very truly,
Olaf Jorden Johnson.

Dear Olive:

Several months ago the Executive Committee accepted, with regret, your resignation from the Brooklyn Chapter. When this action was taken we were under the impression that you had followed the usual procedure in Chapter resignations by also resigning from The Institute.

However, we have Mr. Kemper's letter of April 22nd advising us that your 1947 Institute dues were paid and evidently you do not intend to resign your membership. He wrote you February 15th asking if you wished to transfer your Chapter assignment. Mr. Kemper is now awaiting your reply.

In the interim, he has asked us to carry you on the Brooklyn Chapter's roll as a corporate member assigned thereto.

If you plan to continue your Institute membership and in order to clarify your Chapter status, may I suggest the following:

1. Write the Secretary of the Chapter to which you wish reassignment.
2. Send a copy of your letter to Mr. Kemper.
(Your new Chapter will act on your request for reassignment and will notify Mr. Kemper.)
3. Also send a copy to Harry L. Yakel.
(This is to avoid being assessed with 1947 Brooklyn Chapter dues for which you are now liable unless you are reassigned)

Your name will be kept on the Brooklyn Chapter's roll until we hear from Mr. Kemper.

Your colleagues here join with me in sending our best wishes to you and Mr. Johnson.

Dear Harry:

Ive just had a letter from Jimmie Gambaro which sets forth my status in a rather complicated lite. I sent my dues to the Institute but do not wish to join Miami Chapter at this time. However as explained, we will be North only in Summer, so no sense of carrying on in Brooklyn. I presumed one could just belong to the Institute.

I have asked Mr. Kemper to write you regarding the matter as I do not wish to be liable for any dues in The Brooklyn Chapter. Nor do I wish to be re-assigned at present. Hope you can straighten it out.

Dear Mr. Kemper:

Below is a copy of a letter received from Mrs. Olive Tjaden Johnson. There is nothing we can do until she replies to your letter of February 15th 1947 stating whether she does or does not wish reassignment -- or what she does want.

It was certainly good seeing you again and I hope our next meeting will be sooner than the 1948 Convention.

Sincerely,

April 30, 1947.

Dear Jimmie:

Just got your letter. I had no idea there would be any complications as Kemper knew I resigned from Brooklyn. He did write me asking if I wished to be re-assigned, but since I did'nt want to be-- I just did'nt answer.

Why did'nt he explain the situation instead of just taking my check and sending me back a card of membership

I've written both he and Harry Yakel so hope between them they can decide what's to become of me as I do not WISH to belong to any Chapter at present. We're too busy in the Building business-- sold two \$ 20,000. houses this month and have an apartment house ready.

Hope it gets ironed out -- I hate complications !

Sincerely--

Olive.

Dear Mrs. Johnson:

Your letter of April 30th was received during the absence of the staff at the 1947 Convention in Grand Rapids. We returned on Monday of this week and this is the first opportunity to respond.

As every corporate member of The Institute must be assigned to one of its chapters, there is no other course which can be followed but to carry your name as an assigned member of the Brooklyn Chapter until or unless you are transferred to another chapter.

It is noted that Miami is too far from your home to attend night meetings, and it occurred to us that you might be interested in the new Palm Beach Chapter which is to be chartered soon. While this too may be rather distant from Fort Lauderdale, it may be that meetings will be held during the day, and you might be interested in looking into this to ascertain what their plans are.

Mr. George J. Votaw, A.I.A., 253 North Avenue, Palm Beach, is acting for the group in forwarding its petition for charter, etc., and you might get in touch with him.

The only other course to follow, if you do not want to maintain a chapter affiliation, is to accept your resignation, and we sincerely hope you will continue your membership.

A copy of this letter is being sent to the Brooklyn Chapter for its information.

Sincerely yours,

Executive Director

Dear Mrs. Johnson:

The Institute is about to publish a new Membership Directory to be released to the printer finally on or about October 1.

In that Directory your name will appear as a corporate member of The Institute, assigned to the Brooklyn Chapter.

In looking through the past correspondence, we realize that this may not meet with your approval, but unfortunately we have no choice as to procedure.

Under the By-laws of The Institute every corporate member must be assigned to a chapter and pay dues to that chapter.

In our letter of May 8 to you we suggested that you might be interested in the new Palm Beach Chapter. It is now functioning in every respect and the President is Marion Sims Wyeth, Wyeth Building, Palm Beach, and the Secretary is George Julian Votaw, 253 Worth Avenue, Palm Beach.

We know that either of these chapter officers would be glad to welcome you, should you request a transfer from the Brooklyn Chapter to the Palm Beach Chapter.

We regret that The Institute By-law provision above mentioned is so mandatory that we have no discretionary authority in such cases as yours. We hope very much that it will not cause you to discontinue your Institute membership and shall list you in the new Directory as indicated above, unless of course you advise prior to October 1 that your membership should be discontinued.

We trust that this will not be the case.

Dear Mr. Cellarius,

Last year I had extensive correspondence with the A.I.A., as the Miami Chapter regarding some sort of affiliation other than being a "regular" Chapter member, as I had been in the past in N.Y. I never could get any suggestions or satisfactory information from Miami - so just went along again as a regular member. However, I never can get down there to meetings - and am not specially active in Architecture since being in Florida, as my Husband has a Master Builders degree - and we have been building, selling & renting for ourselves exclusively.

It makes me feel very badly to give up my membership but really don't see any joint in carrying

an active membership under
the circumstances. My association
with the Institute was something
of which I was always very proud,
and also enjoyed very much.

I have written this year
again to Miami regarding an
associate membership of some
kind but have received no reply,
so the only thing to do is to
resign at this time; And if
I resume an active practice
in the future sometime, to then
become an active member again.

Very truly yours,
Oliver Jaden Johnson

My dear Mrs. Johnson:

On behalf of The Treasurer, this will acknowledge, with much regret, your letter of March 9th advising that you feel you must resign your membership in The Institute and the Florida South Chapter.

Perhaps, at some later date when you are located closer to a chapter headquarters, you will give serious consideration to renewing your affiliation.

We must clear your resignation through the Chapter, under required procedure, and as soon as that has been done, formal notice of action taken will be sent to you.

Yours sincerely,

Edmund R. Purves
Acting Executive Director
