Dear Mr. Skoler:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find interesting, and a lapel emblem. In approximately one month you will receive a certificate of membership, either directly from The Institute or through formal presentation by the Chapter.

You are assigned to the Central New York Chapter and the New York State Association of Architects, Inc. of the AIA, effective April 14, 1969.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of The Institute officials or staff members any time the need arises.

Sincerely yours,

Re: Application for Membership Emeritus

I am attaching my application and would appreciate consideration for membership Emeritus due to the following:

1. My age is 70 as of April 5 of this year.
2. The firm Skoler & Lee Architects, P.C. of which I was an active officer, closed its office on November 01, 1989 and dissolved as of 12/15/89.
3. I am recuperating from a coronary sustained in October of '89. As the degree of recovery permits, I plan to ease into some duties at Syracuse University in an administrative position to the extent possible, if permitted, until retirement.

Thank you for your consideration.

Sincerely,

Louis Skoler, Member #007192503
