THE AMERICAN INSTITUTE OF ARCHITECTS THE OCTAGON, WASHINGTON, D. C.

November 30, 1926

Dear Mr. Whitehouse:

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective . November 30, 1926.

You have been assigned to the Columbus Chapter as an Institute Kember in good standing therein, and the Secretary of the Chapter has been so advised.

With regard to Institute dues, no charge will be made for the balance of the year 1926.

May I take this opportunity to say that the office of the Secretary at the Octagon is for the service of every Institute Hember. Should the occasion arise, we shall be glad to give you our best cooperation.

Cordially yours.

Executive Secretary.

Mr. Frank E. Wnitehouse, 57 Eric Road, Columbus, Ohio

K/FHG

March 1, 1932.

Dear Mr. Whitehouse:

It is with genuine regret that I write, as Secretary of the Institute, to advise you of the termination of your membership in the Institute and your Chapter, effective December 31, 1931, for non-payment of Institute dues.

The Treasurer, and the Secretary's Office, sent to you various statements of account and letters, in the hope that you would find it possible to make a remittance, in whole or in part, and thereby continue your affiliation with The American Institute of Architects and your Chapter.

It is realized that conditions in the building industry have remained on a most unfavorable basis during the past year, and for that reason the Institute made a special effort to retain your membership as long as possible.

It is believed that you will approve of the action taken. The alternative was to allow the dues to so increase as to make future reinstatement a heavy expense.

I am hoping very much that the circumstances which prevented you from carrying on your Institute membership will speedily change, and that you will soon be thinking of taking up your membership again. When you are ready to do so, I can assure you that the Institute will make the way back very simple and easy. The Board has already made provision whereby the old account can be paid off in installments and over a period of time that will not be onerous to you.

I am going to write to you from time to time, reminding you that the Institute desires your return to its membership and its councils, and so that your return can be worked out to your best convenience.

With best wishes, and with the hope that we may soon regain you as a member of The American Institute of Architects, I am,

Sincerely yours,

Secretary.

Mr. Frank Ed. Whitehouse, Professional Building, Charleston, W. Va.
