A member, by virtue of his membership in The Institute, becomes a member of the chapter of The Institute within the territory of which he resides or has his place of business, as he elects, but he pays an admission fee to The Institute only. The admission fee to membership in The Institute normally is twenty-five dollars. (For 1936. this fee was reduced to five dollars.)

Normally the period between the time of filing

an application and the time it is acted on by The Board of The Institute is four months. The period will be longer if the application must be returned to the applicant for corrections or if additional exhibits of the applicant's work are required by The Board of Examiners.

If an application is denied, the amount prepaid by the applicant for annual dues and for admission fee, less five dollars for examination fee, will be returned to him.

Dear Mr. Shifflet:

This is in reply to your letter of January 27.

We regret very much the delay in the publication of the January Bulletin, but this has been caused by a meeting of The Executive Committee late this month and the necessary wait for announcement of the proposed By-law amendments and other material.

The 1949 Convention of The Institute will be held in Houston, Texas, on March 15, 16, 17, and 18. Hotel headquarters will be the Rice Hotel, and reservations should be sent to that Hotel in care of Mr. R. Bruce Carter, Manager, stating type of accommodation desired and expected times of arrival and departure.

We do not have a copy of the program which we can send to you at this time. However, that information will be published in the January Bulletin.

As of interest, a circular concerning the post-convention tours to Mexico is enclosed.

MEMORANDUM

To: Mrs. Maureen Marx, Director

Fr: Rosemary Schroeder, Executive Secretary
Re: Glynne W. Shifflet - Membership Emeritus

The Dallas Chapter received the following letter from Glynne W. Shifflet under date of January 19, 1970:

"I will not be renewing my Chapter membership as a Corporate member as we are returning to Minneapolis, Minn. As of January 1, 1970, I retired from Practice.

"Following my fourth operation which was the amputation of my left arm, the doctors inform me I am still in serious trouble due to "metastasis." I have decided to move closer to the Mayo Clinic in Rochester as I walk the cancer tightrope.

" I wish the Chapter continued success."

After receipt of this letter, we contacted Mr. Shifflet and he stated he would like to become a Member Emeritus, possibly changing his membership to the Minneapolis Chapter at a later date. I understand he is a Past President of that Chapter.

The Executive Committee of this Chapter approved the request for transfer of his membership to Emeritus on January 26, 1970, for submission to The Institute. Due to the circumstances involved, is the "Application for Membership Emeritus" form to be signed by him necessary or will this letter suffice?
