Dear Mr. Root:

I should like to endorse Mr. Henry Y. Shaub, a nominee for Fellowship in The American Institute of Architects, said nominee being sponsored by the Central Pennsylvania Chapter of The American Institute of Architects.

I have observed Mr. Shaub's stature as an Architect and feel that by his leadership and ability he has made outstanding contributions to the community and the region in which he practices. The school buildings which have been built under his guidance have earned him the highest praise by laymen and professional men alike.

It has been my good fortune to observe directly the nominee's contributions which he has made to the Central Pennsylvania Chapter's program currently and in the years gone by, and feel certain in saying that his efforts have been of high caliber in every respect. If the work which he has done for our Chapter is any criteria of what he has done at other levels in Institute work, it is readily apparent that he should be held with high respect among the members of the Architectural Profession.

I think more important possibly than the foregoing may be the fact that he has given unstintingly of his time and effort to the younger men in the Architectural Profession. He has counseled many prior to their registration and has followed with interest many of the younger men in their relationship with other members of the Architectural Profession and Institute and has always made us feel that the high standards which The American Institute of Architects was seeking to maintain be

uppermost in our minds. Mr. Shaub's contributions to the Architectural Profession have served as a personal guide as to what might be obtained if one would follow along the lines that he has made evident to each one of the younger men of The Institute.

It is likewise deeply evident to me that his service to other public bodies was of high quality, for he has been constantly associated with public groups who performance are looking to men who have qualities of leadership.

I have lived in the same community with Mr. Shaub all of my life, and although never having been directly associated with him in business, have learned to respect his abilities not only as a practicing Architect and a member of The American Institute of Architects, but also as a leader and a counselor to the younger members of the Architectural Profession.

Sincerely yours,

Charles S. Conrad, Jr.

Gentlemen:

It has been called to my attention by the Central Pennsylvania Chapter, that Mr. Henry Y. Shaub of Lancaster, Pennsylvania has been recommended for Fellowship in the American Institute of Architects. My acquaintanceship with Mr. Shaub has been largely through committees of the Pennsylvania Society of Architects. I have always found him to be an architect of exceptionally good judgment. His long valuable service as a member of the State Board of Examiners of Architects is a tribute to his sound conception of Architectural practice and willingness to serve the public and the Profession.

I am very glad to support his nomination for Fellowship in the Institute.

Sincerely yours,

GENTLEMEN:

MR. HENRY Y. SCHAUB HAS BEEN RECOMMENDED BY THE CENTRAL PENNSYLVANIA CHAPTER TO BE A FELLOW OF THE AMERICAN INSTITUTE OF ARCHITECTS. IT WAS WITH EXTREME PLEASURE TO ME THAT THIS RECOMMENDATION WAS MADE.

I HAVE KNOWN MR. SCHAUB PERSONALLY FOR A PERIOD OF TWELVE YEARS AND KNEW OF HIM AND HIS WORK MANY YEARS PRIOR TO THAT TIME. MY ASSOCIATION FIRST WAS WITH HIM IN THE FORMER PENNSYLVANIA ASSOCIATION OF ARCHITECTS. HE WAS ALWAYS AN ACTIVE AND EFFECTIVE WORKER FOR THAT ORGANIZATION.

SINCE THEN I HAVE BEEN ASSOCIATED WITH HIM THROUGH THE WORK OF OUR CHAPTER. AGAIN HE HAS FAITHFULLY SERVED OUR LOCAL GROUP. I KNOW THAT HE HAS SPENT MANY OURS WITHOUT REMUNERATION ON CHAPTER ACTIVITIES. AS AN EXAMPLE: HE TRAVELED AT HIS OWN EXPENSE TO THE RECENT REGIONAL CONFERENCE ON FEES, HELD IN WILMINGTON, DELAWARE.

HIS ACTIVITIES HAVE NOT ONLY BEEN WITH THE ESTABLISHED ARCHITECTS. HE HAS CONTRIBUTED MUCH TIME TO THE YOUNGER MEN IN THE PROFESSION. HIS ADVICE IS ALWAYS SOUND AS WELL AS SOUGHT AFTER. THIS IS PARTICULARLY TRUE IN CONNECTION WITH HIS POSITION AS A MEMBER OF THE PENNSYLVANIA STATE BOARD OF EXAMINERS OF ARCHITECTS. HIS OWN PROFESSIONAL WORK SPEAKS FOR ITSELF.

THERE IS NO ONE IN THE CHAPTER I ENJOY RECOMMENDING MORE THAN MR. SCHAUB.

VERY TRULY YOURS,

MALCOLM A. CLINGER, PRESIDENT,

Gentlemen:

I have been advised that the Central Pennsylvania Chapter of the American Institute of Architects has nominated one of their members, Mr. Henry Y. Shaub of Lancaster, Pa., for advancement to Fellowship in the American Institute of Architects.

It has been my pleasure to have been associated with Mr. Shaub for many years in his work in the field of architecture as a member of the State Board of Examiners of Architects, and Officer of the Pennsylvania Society composed of the Chapters of the Institute in Pennsylvania, and in various other capacities. His work has been outstanding in his community and has been an inspiration to younger men who have been influenced by his high ideals in architectural design and his insistence upon high ethical standards of conduct, good business administration and sound construction.

It is a pleasure to add my endorsement to that of his proposers in nominating him for Fellowship.

Gentlemen:

The Central Pennsylvania Chapter of the American Institute of Architects has nominated Mr. Henry Y. Shaub, Lancaster, Pennsylvania, for a Fellowship in the Institute.

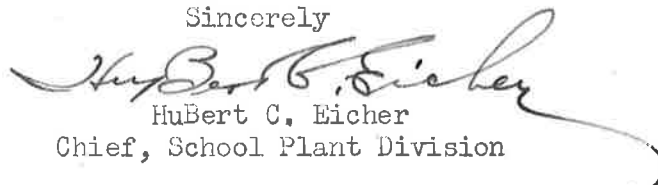

As Chief of the School Plant for the Commonwealth of Pennsylvania for thirty-three years and having approved the educational programs and the plans and specifications for many school districts where he has served as Architect and Consultant, I commend him to you without reservation.

As one who possesses unusual ability in architecture, a rare grasp of the subject and a keen appreciation of the fine art of expressing his profession in a practical and most constructive manner I heartily endorse the recommendation of The Chapter. I further qualify this recommendation on the basis of the high degree of public service which he has rendered to the school districts of the Commonwealth.

Furthermore, from observation and knowledge of Mr. Shaub and his work and the results accruing therefrom I consider his personal qualities both in character and scholarship of the highest order. He has always taken a progressive and active part in the Chapter, State and National bodies exercising a wholesome influence on those with whom he has been identified. He assumes responsibility with a high degree of personal obligation and discharges the duties of his profession most effectively and efficiently.

I confirm to you my full and complete endorsement of Mr. Shaub as a most worthy candidate for the Fellowship award.

Sincerely

HuBert C. Eicher

Gentlemen:

It is my very great pleasure and privilege to recommend for the Fellowship in the American Institute of Architects, Henry Y. Shaub, of Lancaster, Pennsylvania.

I have known Mr. Shaub for more than ten years, and during that time his unerring good taste and modern approach in the design of public, semi-public and private structures have constituted a great contribution to the profession of Architecture.

As an architect whose practice consists mostly of School Buildings, I wish to express my admiration for Mr. Shaub's achievement in this field of architecture.

We in Pennsylvania all know he has given generously of his time and energy in the affairs of the Pennsylvania Association of Architects and the Pennsylvania Society of Architects. His services as an officer and as chairman of various committees in these organizations have been, and are, valuable beyond compare.

I heartily endorse his nomination for this very high honor, and trust his record will bring to him the fruits of his integrity and ability; the bestowal of Fellowship by your honorable committee.

Sincerely yours,

I am very pleased to have this opportunity to endorse this nomination. I have known Mr. Shaub for many years.
